Subject: redistricting Marin County with N Bay!!

Message Body:

Gentlepeople,

I am most concerned that redistricting could actually disenfranchise the large urban-rural community that is Marin unless we are broadened to include areas of the North SF Bay towns. We must not be combined with SF as this population has purely an urban constituency and therefore concerns that do not sufficiently match ours as do those of the North Bay.

Thank you for your consideration.

Sincerely. KJ
