Subject: 6th District - KEEP AS MARIN-SONOMA

Message Body:

I STRONGLY URGE you to keep Marin County in ONE congressional district and have that district be composed of Marin and Sonoma counties, NOT Marin-SF. Marin County, a suburban-rural county has far more in common with Sonoma County than it does urban SF. If Marin is connected with SF, I am certain Marin residents' concerns will simply be ignored. I feel that is the case currently with Marin's state senate district, which is shared with part of SF. There seems to be little, if any, accountability to Marin> Our state senator is rarely seen or heard from, but appears to be focused only on SF, an urban county. PLEASE DO NOT split Marin or lump it with SF. Thank You.
