Conversation: Public Comment: Why Marin and Sonoma County Should Be in The Same Congressional District

From: Tom Pierce [REDACTED]

Subject: Why Marin and Sonoma County Should Be in The Same Congressional District

Message Body:

Both counties are geographically and politically linked together.

The economy of each county is based on agriculture and light manufacturing.

We share a common water source in the Russian River. Our weather patterns and geography are similar.

Working together in the same district both counties will have similar interests and needs to fill. It only makes sense to place both Marin and Sonoma Counties in the same Congressional District.
