Subject: Marin and Sonoma

Message Body:

Dear Commission:

I feel strongly that the current lines make no sense at all and have been shamefully drawn by self-serving politicians for years and years. As a Marin resident I do NOT want my districts to be lumped in with San Francisco. I am aware that you have a lot of competing considerations but please come up with something that is clear, fair and LOGICAL to the public. Otherwise, voters will have no confidence that any new plan will not simply be anything more than a continuation of the disgusting gerrymandering that we have now.

John Ferrell
