Conversation: Public Comment: Marin County Redistricting

From: Clement McGarry <[REDACTED]>

Subject: Marin County Redistricting

Message Body:

Marin County is small in population and will likely be included with a larger population center. It is both affluent and agricultural and has much in common with Sonoma County to the North. Together they would fairly represent the combined interests of their citizens. Combining Marin with either the East Bay or SF would orphan Marin to the urban problems of those regions.
