Subject: Redistricting

To: votersfirstact@crc.ca.gov

To Whom It May Concern,

If redistricting needs to be done, then redistrict areas that were the last to join 95125 zip code.

Why should homes that have been in zip code 95125 for more than 49 yrs be part of redistricting instead of newcomers to 95125 zip code?

I appreciate your email letting me know what is happening re redistricting.
