Subject: dividing a community

Message Body:

for the past 10 years the town of rio vista has been split into 2 congressional districts cd3 and cd10 this is just unacceptable. there is no reason that a town the size of rio vista should be split into 2 districts.

rio vista is also in state senate district 2 that covers the north coast from north of eureka to rio vista splitting solano county in 2.

Solano county should not be split up
