Conversation: My Comments on Redistricting

Honorable Commissioners –

My name is Lee Pierce, native of the north bay (St. Helena, CA), 2010 State Assembly (A7) candidate and former Vice Mayor, Santa Rosa, CA. I regret that I wasn't able to attend your Santa Rosa meeting this evening but I am certain that it was well attended. I congratulate each of you for stepping up to help find a way to improve our political process in the Golden State! **I advocate keeping Sonoma County intact as a standalone State Assembly District (A7).** If you must integrate any other counties with Sonoma, I suggest: Napa County 1st, followed by Lake , then Mendocino. With renewed thanks and abundant respect,

Lee Pierce
