Subject: Sonoma County districts

Message Body:

I was able to attend the public hearing you held in Santa Rosa, CA on May 20th. I support the comments made by former Supervisor Tim Smith and Supervisor Efren Carrillo.

I grew up in Sonoma County, raised my family, worked and retired here. I have been involved in a wide variety of community organizations and activities for many years.

It is important that Sonoma County be included in districts that have the same industries and interests.

It is critical that San Francisco not be included in any of the districts that become Sonoma County districts. San Francisco's problems and solutions are not the same as ours.

I would also put Marin County in the same category. Marin county's approach to solving problems rarely works for Sonoma County residents.
