Subject: Redistricting for Petaluma

Message Body:

Whatever you do I think that Petaluma should not be separated from the rest of Sonoma County, particularly Cotati, Rohnert Park and Santa Rosa. Petaluma is far more a part of their northern sister towns than of Marin. They are more geographically, socially and politically connected and should share the same representative. It's not fair to the people of Petaluma to be so isolated from the majority of their district.
