Subject: representation for Cloverdale

Message Body:

Cloverdale is a rural town on the Sonoma County side of the Mendocino-Sonoma border. Our interests are much more closely aligned with the rural areas to our north, east and west. We have little in common with the population centers of Santa Rosa-Petaluma and Marin county. We in Cloverdale do not want to be swallowed up by the metropolitan areas to our south. Please keep us as part of the rural north. Thank you.
