From: Barbara Kennedy [REDACTED]

Subject: Coastal Counties Together

Message Body:

The Coastal counties of Del Norte, Humboldt, Mendocino and Sonoma should remain as a "community of interest". The north-south districting reflects a true community of interest especially relating to economic interests such as commercial fishing and protection of coastal waters. An east-west districting plan makes no sense at all - the interests of the central and eastern counties are much different than the interests of the coastal counties.
