Hello,

I live on the northcoast of California in Humboldt County. It is a special place with challenges unique to our area. I am totally opposed to putting us in a district with Redding and the Central Valley. Our interests and resources are totally different from these folks. We have much more in common with Sonoma and Mendocino Counties. Please stop the lateral line drawing for redistricting and stick with the way things are now. This is the only fair way to do this. Thank you.
