I was unable to attend your meeting in Santa Rosa this past Friday. I do, however, wish to urge you to keep the northwest California coastal counties in the same congressional district. I regularly travel south to San Francisco on the Redwood Highway-US 101 (sometimes taking a scenic bypass down CA 128 through Napa county) and I am always taken by how much these counties are linked by a common landscape, economy and culture.

Please keep the congressional district that comprise the Redwood counties intact.

It's unfortunate that you were unable to hold a hearing in the Eureka area. If you hold a hearing in the area, I believe you will find overwhelming support for keeping CA-1 intact.
