Dear Commissioners:

I am extremely disappointed that you have chosen to ignore the needs and desires of the citizens and residents of the two North Coast Counties of Del Norte and Humboldt and the adjoining rural inland counties. We share virtually NOTHING in common with the CITIES of Redding and Santa Rosa. The aim and desire of the Voters First Act, Proposition 11 was to take the politics out of redistricting and put it in the hands of the voters. Excluding us from that process does nothing to contribute to the intended success of Prop. 11 passage.

Our lack of attendance is NOT disinterest it is travel time, expense, access, age and inability to make our voices heard in a reasonable scenario.

Sincerely yours,
Doris M. Osburn, Representative
Dist.1 National Silver Haired Legislature
