Sacramento, Ca. 95814

To Whom It May Concern,

My wife and I are residents of Siskiyou County and registered voters.

We support Props 11 & 20's objective to take redistricting out of the Legislature's hands to obtain fair and impartial redistricting without taking partisan politics into consideration. We believe that Props 11 & 20 mean that representation of local jurisdictions (cities, counties and communities of common interest that aren't political subdivisions) is the top priority mandate of Props 11 & 20's goal of achieving such fair and impartial redistricting.

Our local shared values and interests as a rural area, with an agriculture-centered economy, with water, timber and related interests and should be kept whole in any redistricting plan. Communities along the I-5 corridor should be kept together, rather than joined with coastal areas, because of the severe geographic divide created by the coastal mountains.

Thank You for Your Consideration,  
James H. Neptune
