Message Body:

Good afternoon,

My name is Tom Rickard Sr. my wife and I live at Copco Lake in Montague, Ca.

It was with great interest that we read your proposal on redistricting, which if passed would put our county in with the likes of Del Norte and Humboldt counties etc.

We do not want our county included in this redistricting plan. We are happy with our representatives and do not want to be combined with counties that have nothing in common with us, in fact, are direct advisories with us.

Let's take one issue in particular, DAM REMOVAL, the residents in Del Norte and Humboldt counties including the North Coast Water Control Board would like to see our DAMS taken out. It is their belief that if the dams come out the Salomon will come back. This could not be further from the truth.

We have fought tooth and nail to keep these dams in and in the 2010 November election the people of Siskiyou County voted 80% to 20% to keep the dams in.

Both my wife and myself are totally opposed to the redistricting proposal.

Tom and Lee Rickard
