Message Body:
Commissioners;

I am a registered voter and resident of Siskiyou county.

Please keep Siskiyou county connected with Shasta and Tehama counties, not the coast or eastern California.

Siskiyou, Shasta and Tehama are all part of the I-5 corridor and share mutual concerns, industry and culture. They do not have much in common with the coast or eastern California.

The economies in these counties are struggling and where the lines are drawn will definitely have an impact on how rapidly they recover.

I believe the lines drawn in 1990 would give us fair and equal representation in the Congress and the Senate as well as help us address and solve the problems we face.

Thank you for the opportunity to express my views.

Sincerely
Donald F. Hugo
Siskiyou county
