Commissioners:

My wife and I are ranch owners in Siskiyou County. We feel that our history and culture are more aligned with Shasta and Tehama, and other counties in the areas South and not with coastal, or Humboldt and Del Norte Counties to our West. We are linked by the I-5 Corridor and Highway 99 by our mutual agricultural, timber, and ranching history. The lines drawn in 1990 by independent Judges would best represent our rural needs and afford us the best Congressional and State Representation.

The Commission's decision on the final map lines and its distribution will have a Lasting effect on us and our Economic Livelihood and The Siskiyou County Community.

Very Truly Yours,
Jon and Jennifer Burke
Siskiyou County
Montague, CA 96064
