Subject: Redistricting - Siskiyou County

Message Body:

As the Commission considers redistricting, Siskiyou County has the most in common with Shasta, and Tehama Counties. Watersheds, Natural Resource usage, USFS lands and transportation highways share our common interests. Coastal Counties, Eastern Counties have different issues for decision making policies. While the counties to the east and west of Siskiyou are rural, that is all that we have in common.

The 1% parity must not vary to 5%. It will provide a negative election result scheme.

Sincerely,

Michael N. Kobseff
