Re: Redistricting

Dear Sirs:

Thank you for your service in trying to provide some common sense in your efforts to redistrict various districts. I have resided and worked in Ontario for over 50 years and I believe you have finally combined areas of common interest.

Ontario, Chino, Montclair, Pomona and Rancho Cucamonga are really culturally and historically connected. I served as City Attorney for both Ontario and Rancho Cucamonga. My clients are substantially from the Cities of Ontario, Chino, Montclair, Pomona and Rancho Cucamonga. It will be good that their assembly, Senate and Congressional representation will have common goals.

I hope you will be able to keep your promised boundaries.

Respectfully,

SAMUEL P. CROWE

Keep Riverside County's Coachella Valley Intact!

From: [REDACTED]

Dear Commission Members:

As a resident of Riverside County's Coachella Valley, I want to thank you for the insight and wisdom in your actions to develop legislative district lines within our community.

I applaud your professionalism and fortitude in maintaining our valley as an economic, political and single community of interest. I believe strongly that the following factors exemplify the need to maintain Coachella Valley's proposed legislative district boundaries.

1. Military
2. Transportation
3. Regional Airport
4. Economics
5. Healthcare

I strongly urge your continued commitment to keep Coachella Valley intact and not integrate our legislative districts with Imperial or San Diego County who have more in common with each other.

Sincerely,

Deborah Hobbs

Redistricting:

Dear Citizens Redistricting Commission :

A house divided can not stand...

The present redistricting map for the proposed Congressional District places the city of Chino Hills in an incongruent situation.

Chino Hills has very close ties with the city of Chino. Both cities together participate in many events. They share the same school district, shop at the same shopping centers, and also use the same recreation programs and activities.

Dividing Chino Hills to the L.A. County most certainly will not benefit our city. We are a family oriented city thus becoming one of the safest cities in America. Chino Hills is protected by the San Bernardino County Sheriffs Department.

Our city is interwoven with a fabric of many different ethnic cultures. All of whom work hand in hand to better their community. To separate Chino Hills from itself will not be serving the best interest our citizens'.

The current map will take half of the city from the Inland Empire.

I wish to thank you for placing item numbers 1 thru 7 (...Respect cities, counties, communities of interest and neighborhoods)

Many of my neighbors and friends from in and around Chino Hills have conveyed to me all of the above statements.

Thank you,

Al Matta

Dear Commissioners,

The maps you have developed for the High Desert communities of eastern Kern County, northern Los Angeles County, northern San Bernardino County and Inyo County are very good. We appreciate greatly your diligence in keeping our unique communities together.

We do however request your consideration for one minor change in the Assembly lines, which can easily be accomplished affecting only two districts nested within the same Senate districts in your first draft of maps.

In the LAAVV Assembly District, the City of Adelanto is included with the population centers of Lancaster and Palmdale, and split from the MISBK district with the population centers of Apple Valley, Hesperia and Victorville. The MISBK Assembly District also includes the eastern Kern County High Desert communities of California City, Rosamond, Mojave and Boron.

Please consider moving Adelanto and additional portions of San Bernardino out of LAAVV and into MISBK. Adelanto is a San Bernardino County city directly adjacent to Victorville and the population centers of the MISBK district. Our residents work, shop, travel through and recreate throughout the Victor Valley cities. We have joint powers authorities, a shared water basin, and many joint projects with our neighbors in the MISBK district. These are relationships that we do not have as strongly with the population centers of LAAVV in Lancaster and Palmdale.

The population can be made even by moving all of the Kern County portion of MISBK into LAAVV. This area of Kern County is far closer to the Lancaster and Palmdale population centers, making it a more compact district. Additionally, the focus on aerospace industries is shared between northern Los Angeles and eastern Kern, but not as much as with the Victor Valley. We have attached maps which accomplish this change.

We realize you have a difficult task. Fortunately, accomplishing this task should be relatively easy, as it does not affect any other neighboring Assembly District. Additionally, since MISBK and LAAVV are, wisely, in the same Senate District (MISKL) it would not change the Senate lines whatsoever.

We believe this change serves everyone better and are working with our neighbors in eastern Kern, northern Los Angeles and northern San Bernardino. We're confident you'll receive support for this change from all areas. Thank you for your time and consideration.

Sincerely,

Cari Thomas, Mayor

REGION 2: SAN
RECEIVED JUN 27 REC BERNARDINO

Dear Panel members, I would like to extend my appreciation to you for the difficult jobs that you are doing. However, I do not agree with the splitting of the congressional district in Redlands Calif.

I strongly wish to remain in the present district as it is now formed. Also the proposed new district would extend my district, 300 miles away from Redlands. This to me, will not be representative of both areas.

Please reconsider, including all of Redlands in the same district.

Thank you
Eugene J. Schutten
