Citizens Redistricting Commission
Sacramento, California

Commission Members:

As a 50 plus year resident of Orange Counties community Rossmoor I strongly object to the Gerrymandering of my community and Los Alamitos into a Los Angeles County congressional district. This makes no sense to me, my family or my neighbors.

As Orange County residents our views, goals, and concerns are not compatible with those of Los Angeles County. To be submerged into LA County is completely unacceptable.

We urge you to correct this grievous error and keep Rossmoor and Los Alamitos included in Orange Counties congressional districts.

Thank you.

Sincerely,

Charles A. McLuen
