Subject: Antelope Valley Redistricting

Message Body:

Presently, the assembly and state senate districts in the Antelope Valley cover more than one county. One of the congressional districts covers Kern and LA County. The Antelope Valley is sort of isolated in the north party of LA County. Is it possible that we could remain solely in LA County in all our districts (Assembly, State Senate, and Congress)? We have much more in common with LA County than with other counties. Our county supervisor is in LA County. Our cities are in LA County. Many of our services are provided with LA County. If you must divide us up, please keep us in LA County. Thanks.
