Subject: Santa Clarita Valley - You cut us out!

I live in Newhall neighborhood in the Santa Clarita Valley, south of Lyons Ave. Your first draft has separated our neighborhood from the rest of Santa Clarita and put us in the San Fernando Valley district. There is a mountain range separating us from the San Fernando Valley. We are very different from the SFV and our interests and concerns are with Santa Clarita. We can't expect to get adequate attention from a San Fernando Valley representative. It's very odd that your commission has cut us out of SCV.

Please re-consider your first draft district boundaries and put us with the rest of the Santa Clarita Valley where we belong! My address is [REDACTED] [REDACTED], Santa Clarita, CA 91321. Thank You, Linda Pursell

Message to the Commissioners:

Do not split the City of Santa Clarita into two separate congressional districts. Please add the community of Newhall into the Antelope Valley – Santa Clarita Valley congressional district. Our community in Newhall is not contiguous with the San Fernando Valley. Newhall voters/constituents have entirely different issues and concerns and should remain with the Santa Clarita Valley district, which is the City within which Newhall is located.

Thank you. Michael G. Evans

Dear Commission, Hawthorne, CA 90250 has always been part of the South Bay. It does not belong in the Compton, Gardena, Athens, Inglewood area of Congressional Dist 35 and Ass. 51. Hawthorne belongs in the South Bay Area of Congressional area 36 and Ass, Dis. 53. I was born and raised in this town and have lived in this very neighborhood since 1968 and my neighborhood has nothing in common with Compton and those areas north and east of us. Please give my and my families vote a chance to be heard.

Always, Joy Bliss [REDACTED]. Hawthorne, CA 90250

Subject: Keep the Hollywoods Together

Message Body:

Your draft maps split the Hollywood area terribly. It makes no sense for the Hollywood Hills to be in one district, Los Feliz and Silver Lake in another, the Hollywood flats in yet another, and North Hollywood in yet another.

I write to urge you to keep the neighborhoods adjacent to Griffith Park and the neighborhoods that comprise Hollywood in the same state legislative districts. We have the same issues!

Just a few years ago, we banded together to lobby local officials and the state after our community was nearly devastated by the Griffith Park Fire. We need this togetherness to speak with one voice!

90046, 90068, 90027, 91608, 91602, 90028, 90029, 90038, 90039, 91505, 91506, 91604 should be in one district.
