Dear Citizens Redistricting Commission Members:

As the founding Mayor, Mayor four times and twelve years served on the La Habra Heights City Council, I would like to thank you for the work you have done on the proposed State Assembly and Senate Districts for La Habra Heights in the First Draft. I am very interested in the districts that are being drawn by your Commission. I was pleased to see the proposed State Assembly and Senate Districts. However, I am very concerned with the proposed Congressional District. Our interests simply do not coincide with the majority of the cities included in that Congressional District. I find it difficult to understand why La Habra Heights has been cut off from the Los Angeles County cities whose problems are similar to ours.

La Habra Heights has always been closely involved with the La Mirada, Whittier and Downey city councils, and the greater Los Angeles County communities since our incorporation in 1978. I would respectfully request that you reconsider the lines drawn for our proposed Congressional District. If you could align the Congressional district more closely to the cities that were included in the State Assembly and Senate Districts, it would make a much better working arrangement for all of us. Our needs are quite similar. Again, thank you for the work you are doing and I trust you will give serious consideration to my request.

Sincerely,

Jean Good Lietzau
