Message Body:

Santa Maria and all of Santa Barbara County should be in one Assembly District as per guidelines of Proposition 11.

Santa Barbara County voted against a county split in 2005. This should not be imposed by the CRC now.

We would like the Redistricting Commission to follow Proposition 11 on keeping counties intact and have Santa Barbara County all in one Assembly district, and not have Santa Maria put in a San Luis Obispo County Assembly district.

What political hack thought up putting Santa Maria in SLO County?

As a resident of Santa Maria/Orcutt since 1964 I can tell you it is in the best interest of this area to keep Santa Maria and all of Santa Barbara County in One assembly district. I could cite numerous geographic and population facts to support my belief, but there isn't enough room here.

Thank You

Don Armstrong

Do you realize what that would cost taxpayers in this time of crisis for unemployment? What political hack thought that one up?
