Subject: LOMPOC REDISTRICTING PROPOSAL - OPPOSED

From: "Al & Emily Harry" <[REDACTED]>

Date: Thu, 23 Jun 2011 22:24:32 -0700

To: <[REDACTED]>

To the California Assembly & Senate Redistricting Committee:

As a resident of **Lompoc, Santa Barbara County**, I am absolute opposed to the proposed State Assembly and Senate redistricting that has just been released for public comment.

The proposal calls for dividing our city of Lompoc in half, putting half our community in a district that is geographically divided by a mountain range, where there are little common interests south of us. You may not be aware but there was a movement a couple years ago to split Santa Barbara County, to make the northern half a new county. That is how diverse, and different our interests are from the southern half of Santa Barbara County and Ventura County.

The incorporated city of Lompoc has about 43,000 people, and the Valley region including unincorporated areas brings the total to 59,000. The Federal prison that is located on the outskirts of our community has inmates with no voting rights, and to count these people as part of the voting block/or active community members of Lompoc is at best irresponsible, and totally harmful to our city.

The proposed Senate and Assembly districts are drawn right through the middle of our city. Why?? Why cut half of Lompoc off from the northern part of Santa Barbara County. where there are mutual interests and concerns about the welfare of our people, businesses and land (we are agriculturally based, the same as San Luis Obispo County)? Our current representation from Assembly and Senate people is terrible. We had hoped for better with the new redistricting.

PLEASE RECONSIDER THE DISTRICT BOUNDARIES and the best interests of the City of Lompoc, and do not divide our City.

Sincerely,
Emily F. Adelman
Lompoc resident and registered voter

Subject: Splitting Lompoc

Message Body:

It is not in the best interest of our citizens to split the city of Lompoc. We are very much opposed to this and I ask that you hear our plea.

As a business owner in Lompoc, it would make it very hard on us to be in separate counties or districts.

Thank you,

Carolyn Jones

Dear Government:

The City of Lompoc and its citizens have been hugely economically impacted and crippled by the recession. To split the city is to split its voice which because of its lack of economic vitality has a very small voice as it is without being further weakened by the government's proposal.

Concerned Citizen,

Fran Clow

Do not cut the Lompoc valley into two different State Assembly and State Senate districts. I have lived in that valley for many years and see us as one group that should not be split up. It make not sense etc I am sure someone has an alternative motive to see this happen. I ask that you do not let it occur.

I strongly oppose the splitting of Lompoc as shown on the proposed State Assembly and State Senate maps. This would greatly reduce Lompoc voice if this should happen. We are a community of approximately 60,000 and should be left intact.

To Whom It May Concern:

Dividing the city of Lompoc into two districts would be an assault on democracy. Please reconsider the (apparently arbitrarily established) district line.

Thank you,
Brandon Banner

Commissioners- I request that you NOT split the City of Lompoc in half with the proposed new districts for State Assembly and Senate Representation in Sacramento. As Santa Barbara County's third largest city, Lompoc residents deserve a single voter representation. Anything less will further marginalize our community.

I am decidedly opposed to the redistricting plan that would split our community in two. As it is, our community struggles to have a voice since we are a "stand alone" community and not very close to neighbors either to the north or south. In essence, this would weaken not only our voice as voters, but also our community as a whole. We need to be represented by the same people in order to be heard, and noticed when it matters. PLEASE DO NOT PLACE DISTRICTING LINES IN THE MIDDLE OF THIS COMMUNITY.

Thank you for your consideration.

Please do not cut my home city in half as your redistricting maps now indicate. The residents in Lompoc deserve better representation than a split district city would allow us. I am afraid I don't understand why this was even suggested in the first place. Why would you think this was a good idea?

TO WHOM IT MAY CONCERN:

I am writing to request that YOU DO NOT SPLIT LOMPOC IN HALF in the new redistricting boundaries. Please keep Lompoc whole. I am a registered voter who feels that Lompoc would be better represented as a whole unit.
