Dear commissioners;

Please don't split Lompoc. We are a small community that needs to retain our representation.

Thank you,

Dear Commissioners,

I have lived in Lompoc for almost 20 years. I am opposed to your actions that would split Lompoc into two Districts for both the Senate and Assembly.

To the Redistricting Commission

It is inconceivable that your commission could come up with such an outrageous plan to split the city of Lompoc into

two political district lines. I would like to know the reason why Lompoc was considered a " target" for such a division.

Perhaps the commission members need to avail themselves with up-to-date maps of Lompoc and the surrounding cities.

Do they think that Lompoc is mostly on U.S. Prison property? Hopefully your plans for our city will be reversed.

Sincerely,

Dr. & Mrs. John D. Sawyer
