Subject: The splitting of Lompoc

Message Body:

We were amazed when we saw the new senate and assembly district lines. We thought we would get rid of communities, especially small ones like Lompoc, being split after voting for a change of who determines the lines. To say the least we are very disappointed. We believe the splitting up of our area is not good. The Lompoc Valley (City of Lompoc, Mesa Oaks, Mission Hills and Vandenberg Village) should be considered one contiguous political entity. We need a unified representation in Sacramento - not one that is split. If you are truly concerned about fairness and what is best for communities, please leave the Lompoc valley as one entity.
