To the *Good Commissioners of the California Redistricting Commission*

Gentlemen and Ladies,

We understand that pressure is mounting, mostly from Santa Barbara County, in favor of dividing San Luis Obispo County north and south between two separate congressional districts. This poor county has been the subject of such gerrymandering for decades and we would urge the Commission to keep San Luis Obispo County whole and not diminish its voice in either the Congress of the United States or in the State Legislature.

Thank you for your consideration.

Subject: Keep San Luis Obispo County as one voting unit

Please keep San Luis Obispo county as one voting unit. Breaking into multiple sections will only lead to voter confusion and improper representation.
