Dear Commissioners:

I am a concerned Simi Valley resident (24 years) and I want to make my thoughts and comments heard about the process of redrawing our districts.

It is important to me and my family for the cities of eastern Ventura County, Simi Valley, Moorpark, Thousand Oaks and Camarillo to stay unified within one district. We are connected in so many ways and at so many levels. The residents of eastern Ventura County know the importance of keeping us united and I hope that you see that as well.

The task of drawing the districts is extremely important and I know that you will do the right thing.

Thank you,

Greta Haggerty
