Subject: redistricting

Message Body:

Thousand Oaks is located in its entirety within Ventura County. To redraw the district lines and put Thousand Oaks with Los Angeles County is absurd. Our city is totally different from LA County cities and areas. Thousand Oaks needs to stay with other Ventura County cities and areas for voting purposes.

Subject: Thousand Oaks redistricting

Message Body:

In regards to redistricting Thousand Oaks, our city needs to stay with other Ventura County cities. We have totally different needs from LA county communities and cities. Therefore, our representatives need to be focused on our issues and not LA County's.
