Subject: Unite Clovis and Fresno

Message Body:

Please put Fresno and Clovis into the same districts. Practically, these two cities are not divisible. Many, many of us live in Clovis and work in Fresno, or vice versa. Many Clovis Unified School District Campuses are in the city of Fresno, and vice versa. The Fresno State campus straddles Clovis and Fresno.

I live in Clovis and work in Fresno. I want to be able to vote for one representative, who can speak for greater Fresno. That would give us a stronger voice as a community; as it stands the reps we do have do not provide the attention we deserve because they also serve other distant areas.

Please redraw the map to unite Clovis and Fresno.
