Subject: proposed map changes for congressional districts

Message Body:

I believe Simi Valley and Moorpark should be shifted to LA County. That would leave the balance of Vta County able to make some changes in congress! I feel Mr. Gallegly is not accurately representing our county but because of the larger voting populations in Simi and Moorpark he gets in everytime.

Subject: Democrats vs Republicans

Message Body:

You have too many Democrats serving on the commission. You need a balance of Democrats and Republicans to be able to make fair unbiased decisions.

This appears to be a mockery of the Democratic process where all sides are represented.
