I do not want to be moved from the Scott Valley District to the coastal region. What can be done about this?

Subject: redistricting suggestion re: Santa Cruz and Watsonville areas

I think it would make more sense to add Watsonville remove the Gilroy area from the districts that include Santa Cruz. Watsonville and the Santa Cruz area interact quite a lot, whereas the Gilroy area is much further away. This change would make the districts more compact as well.

In general, though, very nice job!
