Dear Commission,

I do not think it is good to have San Jose and Fremont in the same district.

Fremont, Newark and Union City seem a logical grouping since we share many common meandering borders and have a number of joint ventures. We already work closely together so please don't split us up.

Subject: Congressional District - Fremont

Message Body:

The City of Fremont should be all included in one congressional district. Having the city in 2 districts would make it more difficult for people speaking in our interests to be heard. Fremont is one community of interest.
