Subject: district lines

Message Body:

Dear Redistricting Commission,

I am writing for a second time regarding the new boundary lines for our voting district. I had understood that after the first public meeting in Santa Rosa where so many citizens spoke out in favor of keeping our district intact i.e. Marin and Sonoma, that you would proceed asexpected.

This week I see a map in the Independent Journal that combines Marin with all the counties on the coast up to the Oregon border! Have you listened to the citizens?? We have really nothing in common with those northern counties and for practical purposes I would urge you to keep district #6 intact: Marin and Sonoma counties combined without San Francisco or the East Bay or the northern counties.

Thank you.

Sincerely,

Barbara Gaman

I do not like the looks of the proposed re-districting one tiny bit. I think it would be a disasterous change to make. Please live my district the way it is! Julia Bartlett, Marin County, CA
