I am very unhappy that American Canyon is not included in districts along with the balance of Napa County. American Canyon has worked hard to build their city over the past decade and to integrate their planning with the rest of the County. To separate them now and to disburse their needs inconsistently is wrong. As the only rural county among the 9 bay area counties, we have unique needs and interests. Please don't split us.

Message Body:

I am a resident of American Canyon and am very alarmed and concerned at the exclusion of American Canyon from the rest of Napa County's district. To be included with Solano is contrary to what we are about. This is appalling and we urge you to rethink the district lines as AC must be able to remain tied to Napa and all of our joint concerns. We will otherwise not be represented properly.

I cannot understand why you would exclude the 2nd largest city in Napa from the rest of the Napa district - is there some other political motive at work here?

I cannot attend the meeting in S.F. on June 27, 2011. I do want to voice my opinion. We have lived here since 1986 and have seen a lot of changes. My husband was one of the LAFCO members and worked very hard in the early years with all the other members.

It is not right that American Canyon be severed from the rest of the County. In the end it will affect our voice in Sacramento and even in Washington. Please do your best to get this put right. Napa County needs American Canyon as we are the Gateway to the biggest Wine County and Tourism in the North Coast of California. Also, the new AC High School does not agree with it and we do not want Vallejo encroaching into that system.

I feel very strongly about this.

Yours Truly,
Patricia and William Etchison
