Subject: American canyong

Message Body:

Please - keep the city of american canyon within the general napa county state and federal districts. American canyon should not be separated from napa county, after is has taken so much effort, dedication and emotions to integrate the new city in the county. The napa river and its environs, trails, wetlands, needs american canyon to stay healthy and its citizens as a whole!

Message Body:

American Canyon is an integral part of Napa County, its industry and wine business. Therefore, it is important that it should remain integral with the current state and federal districts and not be redistricted.

Thank you.
