Thank you redistricting commission. You've worked long and hard and come up with a very fine solution over all on the average.

I particularly like the fact you have included Del Norte County in coastal districts for Congress, Cal Senate and Assembly.

Well done.

I'm from Oakland, have lived in Los Angeles, and we definistely are not urban and should not go south towards San Francisco. We are agriclturall, fishing and forestry, and a small community (27,000). Our interests are best represented going east. Otherwise, we are buried under the urban needs.
