Message Body:

Grouping Del Norte County with counties to the South is NOT a good representation of "like counties". I feel that Del Norte County should be
grouped with those counties to the East, we are a rural and agricultural area as apposed to the urban industrial areas that are to the South.

Message Body:

Del Norte County, a small rural area located in the uppermost northwest corner of California, tends to lean Republican. As the draft maps are
currently drawn we would lose our current representative Doug LaMalfa. State Senator LaMalfa represents the eastern counties of Northern
California. Del Norte has much more in common with the eastern counties than the southern sophisticated counties whose interests are far removed
from Del Norte. If the draft maps are accepted as proposed, then Del Norte will no longer have a voice in our government. I suggest that we retain
our current district.

I strongly urge the commission to include Del Norte with like counties, Humboldt, Mendicino, Trinity, & Siskiyou. Our representation will not be heard if included with Sonoma & Marin county. Consider East-West redistricting.
Thank You

Message Body:
Thank you for your help with providing representative districts to serve our California communities.

Del Norte is a coastal community and should be included with other coastal communities. Our economy, culture, recreational opportunities, the regulatory agencies we work with, native habitats and landscapes, threats and issues, transportation system --- all these elements confirm our coastal heritage and orientation. This is obvious to us ---- and we hope it is to you as well.

Thanks again for your public service on this important matter.

Sincerely, Grant Werschkull

Dear Commission, I have just looked at the proposed redistricting lines and find them unexceptable to me. We have very little in common with the bay area and our voice would be lost due to their great population size. Our interests here on the north coast is much more rural and has more in common with the counties to the east of us. Please take this into your consideration.

Thank you

Message Body:

Please group Del Norte county with with trinity and other counties to the east. Our county is rural in nature and should be considered a rural community of interest. While Del Norte shares a coastline with neighbors to the south, our rural living has more in common with those to the east. Please group us with Siskiyou County.

Sincerely,

Jon Olson
