Subject: North Coast Fishing Communities

Message Body:

As a Commercial Fishing representative, I am deeply concerned that the north be combined with Marin County. Issues facing the ports of Fort Bragg, Eureka, and Crescent City are much different than those effecting the North S.f Bay. I feel not having a more small community oriented Congressional Reperesentative could greatly diminish our representation. The two hundred miles of coast between Oregon and San Francisco should have at least two members of Congress.
