Subject: redistricting

Message Body:

I believe the north coast would be better served if the 1st district retained both Napa and Lake counties because of the common interest and needs of the wine community in Northern CA.

There are many joint programs and political concerns that influence the entire region of wine. There is also a great deal of commercial ties between Mendocino, Napa, Sonoma and Lake.

Mike has represented this area at one level or another forever. We know and trust him, and that's why he keeps getting reelected. I for one do NOT want to lose him. Nor do I think that Humboldt/Mendocino and Marin belong in the same district. I do not envy you your task....

**Subject:** I don't like the new districts

**Message Body:**

I think that it is important to keep Wine Country intact. Marin County has more in common with other Bay Area Counties. As a wine professional, I want to keep the North Coast Wine Country counties in the same region--Napa, Sonoma, Mendocino and Lake have much more in common than Marin and Mendocino, or Napa and Yuba counties. I also don't want to see the North Coast lose representation to Southern California. I don't support your proposal for these reasons.

Dear Redistricting Commission-

Thank you for your time and effort in drawing the lines to accurately reflect the voters of California.

I am a resident of district one up in Mendocino County. I like and dislike the changes you have made in the first draft. I like the addition of Trinity County and part of Siskyou. I feel this change is an accurate reflection of Lake, Mendocino, Humbolt and Del Norte Counties.

I do not feel that the addition of Sonoma and Marin Counties is a prudent addition to District 1.

District one is currently counties that are primarily rural. Yes, there are places in the current district one that have some urban areas. We have Napa and parts of Solano counties which have both their up sides and down sides.

IF District one is set up the way this draft map proposes, Sonoma and Marin county will be represented and Mendocino, Humbolt, Del Norte, Trinity and the west half of Siskyou county will not be.

Please put Lake county and maybe the north half of Napa County back in our district and leave Marin and Sonoma county in the same district as the city of San Francisco. This is the logical thing to do since Marin and Sonoma County are both bedroom communities for San Francisco.

Thank You

Peter Bauer
