Hi ,

We are coastal communities which have a lot in common and we want to be kept together.

What we have in common includes:

1. rivers that flow to the coast and which support at risk salmon and steelhead.
2. we all strongly favor ocean and shoreline protection
3. we all have harbors which face the same issues and challenges
4. we have redwood parks in the north, center and south of the district
5. the 101 corridor is our main source of transportation and links us all together.

Also,Western Siskiyou County folks come to the coast to shop and for culture. They are part of our coastal communities and should be kept with us.

Thank you.
