Subject: Splitting up a community

Message Body:

My community of Cascade Shores, a suburb of Nevada City, was split in the last re-districting. The result was that our subdivision of 450 lots no longer has a polling place. We have to vote by mail. Cascade Shores was split down the middle. It made no sense to us. This is a very small piece but many of us in Cascade Shores would appreciate your review to see if it makes sense to you. Thank you
