From: Curtis L. Walker <[REDACTED]>
Subject: Congressional Map for Foothills

Message Body:

The map is a disservice to the citizens living in the sliver of South Nevada County that is in the first draft of the new FOOTHILLS District that Tom McClintock will represent initially if the lines hold. Being totally represented by one whose entire district is elsewhere disenfranchises these citizens. The Sliver of Nevada County should be changed to use the Nevada COUNTY LINE. Otherwise, great job.
