Subject: Sacramento 2 - Split Rosemont?

Message Body:

With all due respect, splitting a small, compact community of interest like Rosemont makes no sense. We are Rosemont. We identify as such. We are also in the same school district as Sacramento (Sacramento Unified). This is a solid D area that should be attached to Sacramento, not Rancho Cordova. We have more in common with the rest of the neighborhood, the City of Sacramento, and Elk Grove, than we do the suburbs further to the east.

Splitting our neighborhood appears arbitrary. I beg you to reconsider.

thank you.
