Subject: Redistricting in Siskiyou County

Message Body:

I am a registered voter and resident of Siskiyou County writing to request that you leave Siskiyou County in its current legislative district.

The residents of Siskiyou County do not wish to be redistricted and joined with coastal California. Our communities connect along the I-5 corridor, therefore we wish to remain in representation with Shasta and Tehama Counties. An east/ west district would eliminate rural representation and cut our number of Congressional, senatorial, and assembly representatives so that urban dominated legislatures would be even more dominate.

Siskiyou County has unique water issues that need to be kept out of the Delta water interests which due to populations and economic power would swam our rural representation.
