

REGION 9: TRINITY

RECEIVED JUN 27 2011

Dear C.C.R.C.

I commend you on your draft maps, that would move Trinity County out of Congressman Wally Herger, and Senator Doug La Malfa's Territory.

It is crucial to the health of our County, and I do not want to be represented by them.

I have been a property owner and resident of Trinity County for 37 years, and I know many other long time residents and property owners, that are in support of this long needed change. I truly hope these maps are approved.

Sincerely

Selen Serul
