Members of the California  
Citizens Redistricting Commission;

I am writing to urge you to reconsider dividing Yolo County into three separate districts for Assembly, Senate and Congress.

The Commission must revise district boundaries to accurately reflect the community of interest that is Yolo County. Residents must be in the same Assembly, Senate and Congressional districts. Yolo County residents have more in common with each other than any have with residents of other areas.

We have a shared Ag history, natural geographic boundaries, a long history of cooperation and shared values.

I urge the Commission to adjust districts so that all Yolo County residents are in the same Assembly, Senate and Congressional districts to more accurately reflect our County.

Sincerely,  
Jan Jursonick
